

Thank you, Lord

Thank you, Lord, for a new day 2X
Every morning your mercies are new
When you pour them out I am, too
Thank you, Lord, for a new day

Thank you, Lord, for a new song 2X
Saved by your love, changed by your touch
Now my heart sings the melody of
Thank you, Lord, for a new song

BRIDGE: I just want to stop and pray
Breathe deep of your grace
And find a way to say...Thank you, Lord

Thank you, Lord for a new start 2X
When my soul chose a dead end road
You moved a mountain of darkness with Hope
Thank you, Lord for a new start

Thank you, Lord for a new step 2X
You see, my heart is steady, ready to go
When I hear Your beat my feet have to follow
Oh, I will follow

BRIDGE: I just want to stop and pray
Breathe deep of your grace
Every single day... Thank you, Lord

REFRAIN (2X):

Thank you for love for life,
the measure of sacrifice,
for treasuring me so high,
and paying the price
I could never repay Thank you, Lord.

Thank you for faith and hope,
the kindness that brought me home,
the mercy that you have shown,
for loving me so...
so forever I'll say Thank you, Lord
