

Only Jesus

Vs1:

Who pours water out for thirst?
Who gives mercy undeserved?
Knits us in our mother's womb
Makes our hearts both melt and bloom

CHORUS 1

Only Jesus we adore, Only Jesus, our dear Lord
Knits us in our mother's womb - Makes our hearts both melt and bloom

Vs2:

Who hung on that wooden beam?
Who can wash our souls so clean?
Sacrificed His life to save
Bled to steal us from the grave

CHORUS 2

Only Jesus we adore, Only Jesus, our dear Lord
Sacrificed His life to save - Bled to steal us from the grave

Vs3:

Who was raised up from the dead?
Who for joy our tears are shed?
Healed the mute so they could sing
Humble lamb and our great King

CHORUS 3

Only Jesus we adore, Only Jesus, our dear Lord
Healed the mute so they could sing - Humble lamb and our great King

Repeat CHORUS 2
