

Friend of a Heart Like Mine

King of the lost and found
Heavenly Hope come down
Sovereign eternally
Unequaled in majesty
King of the lost and found

Great is your Name, Great are your ways
Son of the Most High
Ancient of Days, Fountain of Grace
The broken bread of life
It amazes me, Jesus,
How you came to be
Friend of a heart like mine

You are the great I Am
I'm only clay in your hand
You're shrouded in mystery
And so is your love for me
You are the great I Am

CHORUS

BRIDGE: Holy Savior, you paid for a heart like mine
O dear, Savior, you died for a heart like mine

CHORUS 2X

It amazes me, Jesus,
You're the Prince of Peace, Jesus
But you came to be
Friend of a heart like mine
