

To Be Grateful

For life, for breathe
For daily strength and bread.
O, let me not forget - to be grateful
For moon and stars,
When the road is dark,
Lord, for your holy scars – to be grateful

That you call me friend
For the grace to stand
And the mercy that I need
By your sacrifice
Jesus, I'm alive
So what tribute can I bring
Here is my heart offering – to be grateful, endlessly,
Here is my heart offering – to be grateful

In highs and lows
Whether joy comes or goes
Lord, let it shape my soul – to be grateful
For friends so rare,
When it rains despair,
And even near death to dare - to be grateful

CHORUS

For life, for breathe
For daily strength and bread.
O, let me not forget - to be grateful
