

Make Us One

Vs1: Lord, you prayed we'd be one
Like the Father and the son
You still hope we'll be one..someday
But that day is yet to come
Now it's our hope - Now it's our prayer

Make us one with the Father
Make us one with each other
 Make us one Lord Make us one
Make us shine like a beacon
Make us one for one reason
 Make us one, Lord, make us one
So the world will know...your love
So the world will know...your love

Vs2: Lord you prayed for our sake
Father, keep them in Your Name
Then you died for our sake...and in our place
And blew the darkness away
This is our hope - This is our prayer

Chorus

Solo/Bridge:
Thy kingdom come Thy will be done
Thy kingdom come, Lord, make us one 3X
