

Who We Are

Vs1: We are not who we are –
because of what we've done
We are who we are
because your grace has come
Halleluia, Thine the glory, Halleluia, Thine the glory

Vs2: We are not who we are
by earthly might or skill
We are who we are
by the kindness of your will
Halleluia, Thine the glory, Halleluia, Thine the glory

CHORUS

We are the redeemed, the forgiven
Chosen before time
To be sanctified by the Savior
Whose surpassing love
Put this hope inside
By your mercy, sacrifice and scars
We are who we are
By your mercy, sacrifice and scars
We are who we are...we are who we are
